Alicia Forest, MBA<br>Online Business Coach Founder, Lively Biz Business Club

Alicia is a freedom-loving lake girl and intuitive business strategist who guides and supports female lifestyle entrepreneurs to design a life they love that's supported by a business they love using her proven practical strategies and tools to create a livelihood that's priority-based, purposeful and profitable - all in part-time hours.

As founder of the Lively Biz Business Club, she's been the guiding force behind some of the best-known and successful online businesses in the coaching arena, as well in the industries of education, health and wellness, and new age, and has inspired thousands of entrepreneurs to create a business that's fun and funds a life they love.

Alicia's expertise has been featured on Entrepreneur.com, Escape from Cubicle Nation, T. Harv Ekers' SuccessTracs, Holistic Business Journal and countless digital media outlets.

Alicia is also the author of $\mathbf{6}$ Simple Steps to $\mathbf{6}$ Figures for the Solo Service Professional: How to Create Your Lifestyle Business Based on Your Passion for Serving Others, available at major booksellers.

When she's not helping entrepreneurs create more ease and flow in their lifestyle business, you can find her enjoying life by playing with her husband James and their kids, Chloe and Jack, stretching her woo-woo wings, reading the Outlander series, writing in some form, or if it's summer - at the lake.
